Dear Partner:

God bless you! I am so pleased to present our Junior High and High School Graduating Class of **2015!** Often children drop out of school (for various reasons), but these kids persevered and I could not be more proud! I thank you for your prayers and your support that made it possible for them to accomplish this important step toward a better future. I ask your prayers for each one that God will take them and develop them into all that He called them to be. The Apostle Paul said: *“Even before we were born, God planned in advance our destiny and the good works we would do to fulfill it!”* Ephesians 2:10b (TPT)

High School Graduates Fabian, Ricardo and José will enter the university in the fall.

With school starting this month, the house parents are busy buying school uniforms and shoes, paying entrance fees and shelling out for other school requirements. This is always one of the most expensive times of the year. We have enrolled seven (7) boys and seven (7) girls for the fall semester. Among other school supplies, the children need back packs.

I had a call from Rossey a few days ago. She grew up in Casa Del Rey and is now on staff at *Victorious Christian Harvesters*, a Bible School in Nuevo Laredo, Mexico, founded and operated by the Blanchards. She and a large

Joaquin finished secondary school.

number of students just returned from holding *“Invasion”* evangelistic meetings in six cities in Mexico. Rossey tells me that the number of documented converts ran into the thousands! Thank you for investing in Rossey’s life. It is worth every prayer you prayed for her and every cent you gave! **Thank you and God bless you!**

(Oh, yes, remember to look for our “Christmas in September” letter next month! It will have pictures of the kids along with ages and sizes.)
