

Merry Christmas

In September 2015

Dear Partner:

What is there about a child and Christmas that makes the stars come out --even in the daytime?? Children dance with glee and giggle at the slightest *thought* of coming events! At least, that's what happens at our house.

And we're excited, too. We're also excited that you want to be a part of their joy!

Enclosed is the *Christmas Wish List* and, as always, our hearts are warmed by your response. Thank you so very much! If you need more information, we welcome you to call our office (830-757-2447) as you prepare your Christmas project.

We've posted **pictures of the children on our Website**. Go to www.hungrykidsinternational.org, click *Ministry News*, click *Publications*, select: 2015 Christmas in September and 2015 Christmas Wish List Brochure front and back. Other publications are available as well.

Remember that new children often arrive after our list is published, so PLEASE DO NOT WRAP YOUR GIFTS and *please do not personalize any gift*. This helps us enormously as our workers endeavor to equally distribute the gifts among eager little guys and gals. **Please mark your return address clearly so that we can acknowledge the arrival of your package. Your gifts should arrive in Quemado no later than December 15. The process of importing the gifts into Mexico normally takes several days.** Because we cannot import large loads into Mexico at one time, our staff and volunteers make many round trips over several days to shuttle all the gifts across the border in small amounts. It is expensive, but it works.

As in previous years, **we will send a cash offering to Hogar Del Rey in Gomez Palacio**. The staff there will **purchase gifts for the children in that home**. If you choose to send cash for any of our Christmas needs, please label your check "Christmas Fund". We will also be sharing with children in our outreach ministries. **The children often asked me to thank you with all their hearts and I've promised that I would. Thank you and God bless you! We receive your gifts as unto the Lord.**

**You may mail your packages either by Parcel Post or UPS. UPS delivers to our door. Address your packages to:
Bob King Ministries, 19668 North US Hwy 277, Quemado, Texas 78877**

Thank you for sharing with us as we continue to care for these precious boys and girls and share the Love of Jesus with them and their families! God bless you!
