

Merry Christmas

December 2016

Fabiola teaches a children's class at church.

These children from Acuña received food and literature from Pedro and Fabiola.

Felipe Isaac employs kids from our homes to work for him. They love having spending money!

Dr. Romo enlisted Bobby to assist in class instruction. He is conducting a unit review with the class.

Dear Partner:

For the Lovers of God, the Incarnation and Resurrection Day are two of the most cherished days of the year.

To the casual mind, the Christmas season is about merchandizing and money. But to the Christian, it is all about John 3:16:

"For God so loved the world that he gave his only begotten son that whosoever believeth in him might not perish but have everlasting life!"

We've a story to tell! Let's go tell it! Tell it on the mountain! Everywhere! String lights from here to there! Decorate every tree in sight! Rejoice with singing and dancing! Jesus Christ is born! Because God gave, we give! Because Jesus came, we go! We tell the story to all who will listen.

Our medical teams are busy bringing the message of hope in schools, in churches, in private homes and on the streets. Pedro and Fabiola ministered to a man in Acuña who had no shoes and had been beaten. They offered to take him to the hospital, but all he wanted was food, water, and prayer. He was happy to get them. Thank God he was receptive to the Gospel.

Eduardo, a father of four, was delighted to receive the Gospel as the team gave him basic food supplies and some tennis shoes. Thank you for making these encounters possible!

Our Christmas gift list has more than doubled. In addition to the children in our homes who are eagerly looking forward to Christmas, the opportunities through outreach ministries is staggering. Thank you for your support in prayer and giving. It means the difference whether or not our teams can go—and whether or not they go bearing gifts or go empty-handed!

My Friend, let's go tell it! Everywhere! Jesus Christ is born! Because God gave, we give! Because Jesus came, we go! God bless you. **Merry Christmas! Happy New Year!**

Felipe is conducting a health management class in a public school in Piedras Negras. We thank God for favor with the administration!

This man had been beaten. He gladly received prayer, food and water from our ministry team. *Thank you!*
