June 2016

Thirty years and counting! Rejoice with us as we bless the Lord!

Pedro and Fabiola's kindergarten class in Jiménez/Dolores community.

Fabiola is tending the onion patch with the help of daughter Zoé. The onions were harvested in May.

Gaby 18 is thrilled to be home with Priscy who was very young when she left.

Dear Partner:

God bless you! On June 2nd we celebrated thirty years of ministry with children. Thousands of children have heard the story of Jesus Christ during the past thirty years and lives have been changed forever. Thank you for sharing this journey with us!

I'm excited to tell you that the public school administration in Jiménez is very pleased with Pedro and Fabiola's training in natural medicine. In fact, they have invited the couple to hold health classes for the local citizens. The offer includes rent-free space in the local elementary school plus a stipend (a small salary!) Can you say "Praise the Lord?"

Recently both Gaby and Guillermina (Mena) turned eighteen. Gaby had been living in another home for several years but was turned away on her 18th birthday. That freed Felipe and Angelica to bring her "home." When they drove onto Casa Del Rey campus with her jumping up and down in the back seat, her squeals of delight could be heard "for a mile." Everyone knew without a doubt that Gaby was thrilled! "There's so much love in this place," she exclaimed. "I'm loved here! I'm so glad I'm HOME! In that other home, I could do anything I wanted to *without correction*, but I never felt LOVED there."

Mena, on the other hand, was leaving. But the day before her scheduled departure, she asked to talk with Felipe. With tears streaming down her cheeks she said, "Poppy, I don't want to leave! Please let me stay. I know you and Mommy love me." I'm happy to say that she is still with us. (The children can stay with us as long as they wish, provided they obey the house rules.)

I'm thrilled to announce that our own talented Brother Felipe Recio has just released his first album of original music and we are offering his brand new **CD** as a free gift to you for your donation of \$15.00 or more to Bob King Ministries. "**LA RAZÓN Alabanza y Adoracion**" is Spanish worship music. I know that our Spanish-speaking partners and music directors will be eager to introduce these refreshingly beautiful and anointed new songs to their congregations. Supplies are limited so don't miss out!

Thank you for your faithfulness in standing with us in prayer and financial partnership as we preach the Good News of Jesus Christ wherever we go! God bless you!

The Medical Missionaries undergo intense classroom practica under the leadership of Dr. Romo MD NP and are overseen by Bobby.

Mena hopes to go to Bible school or college in the fall.

Bob, Cindy and I recently visited Casa Jovenes Del Rey in Piedras Negras.
