Fabiola is teaching weekly nutrition classes at the boys' home in Jimenez. The classes are open to the community. To date, three ladies faithfully attend.

Boys from the boys' home in town enjoy ministering The Word on the street.

Dear Partners,

God bless you! Thank you for your faithful prayers and support.

Since the late 1970's, I began praying scriptures over my children. It became a habit and to this day very few days go by that I do not pray these verses in the ears of our Heavenly Father.

One such scripture is Isaiah 54:13 ***"...all (my) children shall be taught of the Lord***

***and great shall be their peace and undisturbed composure.***" (Amplified Bible) When I began on this prayer journey, little did I dream that my family would expand from my own three children into thousands of precious children who would cross our doorstep, receive Jesus, and lovingly call me "Grandma"! I admit, there were times when things didn't look so good, but I'm here to tell you that God is faithful to His Word, and I have great cause for rejoicing!

Today, Felipe and Angelica are Grandma and Grandpa to the little ones of the children who grew up in a home that you support, and I have since graduated up to a new level—that of Great Grandma! Life goes on, but the *message of The Kingdom never changes*. Jesus came into the world to "seek and to save that which was lost." (Luke 19:10)

These precious young women and others like them have invited Felipe and Angelica into their homes to express their love and gratefulness for telling them of Jesus. They are also grateful to you for your prayers and support through their growing up years.

Thank you with all my heart for your love and faithfulness. God bless you.
