

Bob King Ministries

October 2016

This young man is thrilled to have his very own Bible. Thank you for making God's Word available!

Priscy flashes a sweet smile from her hospital room with Claudia looking on.

These men are studying the health literature that was given to them by Pedro and Fabiola.

This adorable little girl received food and literature from our missionary team.

Dear Partner:

God bless you! **Thank you for standing with us as we minister the Gospel in Mexico.**

Wedding Bells Ring! Rosa Elia met Adolfo when he attended Pacto de Paz, our church in Piedras Negras. Adolfo was born in Piedras Negras but left for Dallas soon after finishing high school. There he found a job and earned good money for a number of years. After he found Jesus, he returned to Piedras where he founded *Ministerio Con Las Manos de Jesus*, a ministry to the underprivileged. Adolfo is a passionate evangelist and we are blessed to partner with him and Rosa Elia. Adolfo and Rosa Elia represent a harvest from the seeds you planted in this Ministry. They ask for your prayers as they enter the ministry together.

Congratulations to Rosita (Rosa Elia) and Adolfo who will wed October 21. Rosita grew up in Casa Del Rey. She thanks you for loving her!

News from Casa Del Rey: Recently, eleven-year-old Priscy collapsed with a grand mal seizure, an affliction that has plagued her from birth. She was rushed to the hospital where she remained for several days. (Thank you, Partners for your prayers and faithful financial support!) We receive no government aid for medical expenses for the children in our care. The Mexican government does not pay for medications or hospitalization for the needs of its citizens. Therefore although Priscy is a ward of the state, we are required to comply with their choice of treatment options. Her medications alone cost the ministry between \$250 and \$300 a month. I deeply appreciate your standing with us as we care for her (and those like her). I have often wondered where she would be now had we not been here. She was six weeks old when she came. Priscy's caretaker, Claudia, was raised in Casa Del Rey. She loves the Ministry and chose to become a member of our staff after her graduation from high school.

This gentleman is eagerly reading literature from our team. It gives the salvation message with tips on how to control diabetes.

PLEASE PRAY AND VOTE! Remember, the next President will have the important task of appointing Supreme Court Justices who will serve the highest court of our nation for the remainder of their lives. Check out your Party's *written PLATFORM* on their Website. See where they stand on **ALL** the issues: life, marriage, Constitution ...

You have always been so gracious and kind to us at Christmas! We have more families to think about this year. Thank you for remembering!

Thank you again for standing with us in prayer and giving. **Your reward is greater than you can imagine! Be BLESSED!**

A handwritten signature in cursive that reads "Betty King".

Our medical team is gaining credibility in the communities in which they work.
